*A special Thank You to Venita for compiling minutes  
for the February Meeting!*

## **Feb. 26th Minutes**

In attendance were the President Joshua Wittenauer, VP Venita Davis, Advisor Maria Meintanis, and Fabian Torres.

The first matter discussed was President Pappas' concern with a lack of communication with the students. It was suggested that the professors tell their students that they will only communicate with the students via their NLU emails.

Next discussed was the Town Hall meeting on February 28, 2008. NLU staff and faculty will be in attendance. One of matters to be discussed is campus security issues in light of the NIU shooting. There a possibility of a student open meeting to discuss the security matter as well.

There are six students showing interest in the student senate open positions. Maria will be sending out applications to prospective senators. Joshua and Venita will be checking it periodically.

On April 2<sup>nd</sup>, Fabian will attend the Federation's Private College Student Lobby Day in Springfield. Those attending will be there to make a case to members of the state legislature for an increase to the Monetary Award Program (MAP) for undergraduate student.

Maria suggested that a student senator was needed on the Commencement Speaker Committee. Venita volunteered to serve on it.

Student Recognition and Award ceremony is tentatively scheduled for May 31<sup>st</sup>. Suggestions are needed for any more possible student recognition awards.

Maria will be researching possible methods of drafting the NLU Student Senate constitution on the internet.

The next senate meeting will be the last Tuesday in March.
