RE: Admission & New General Education Implementation
DATE: 13 April 2004

As a reminder, NLU's new General Education curriculum is effective Fall 2004 [courses beginning on or after 1 September 2004].

Students who enroll at NLU *for the first time* beginning Fall 2004 will be responsible for meeting the new general education requirements, regardless of application or admission date. Students who begin taking classes during the Spring 2004 or Summer 2004 terms will be 'grandfathered' under the existing general education requirements.

Please direct questions regarding admission and the implementation of the new general education curriculum to me [kgilson@nl.edu, x5890] or Pat Petillo, Director, RARC [ppetillo@nl.edu, x5612].

Thank you.
