RE: NLU Partners with National Student Clearinghouse for Degree Verification Services
DATE: 21 June 2004

Last month NLU partnered with the National Student Clearinghouse to provide degree verification services. This arrangement allows potential employers '24/7' web access to verify NLU degrees. NLU has relied upon the Clearinghouse for enrollment verifications for several years, and we are pleased to expand our relationship with them. Hundreds of colleges and universities throughout the United States have engaged the Clearinghouse in a similar fashion.

As a reminder, *only* the Registrar's Office, or the National Student Clearinghouse acting on our behalf, is authorized to verify NLU degrees.

Questions regarding the degree verification process should be directed to Alice Toy, Associate Director of Student Information Systems [x5317, Atoy@nl.edu].

Thank you.
