

ACADEMIC ALERT #2008-22

DATE: December 2008

DECISION: College of Arts and Sciences (CAS)

Revised General Education Requirements for B.A. Political Science

RATIONALE: The revised general education requirements will apply to both on-campus traditional and off-campus cohort delivery models for the B.A. Political Science program. The revision reduces the general education requirements from 69 QH to 60 QH, thereby increasing the ease by which transfer students can transition to NLU. In addition to easing transfer, this change is also important as it brings the Psychology program into alignment with the NLU general education minimum requirements. This is consistent with NLU's and CAS's goals of increasing enrollment and creating partnerships with community colleges.

APPROVALS: Senate Academic Planning Committee: November 20, 2008
Faculty Senate: not required

Program Authorizations: The B.A. Political Science program is authorized to be offered in the following Illinois Regions: Chicago; North Suburban; West Suburban and South Metropolitan. In addition, the B.A. Political Science program is authorized to be offered in Nowy Sacz, Poland.

IMPLEMENTATION DATE: For students admitted on or after January 2, 2009
