Student, Elementary Education
National-Louis University

BE PROUD. BE SMART.

It's your heritage that shapes your identity.
It's your family that gives you love and support.
It's your college education that helps you get ahead.

- 👉 Get a degree in business—and sharpen your reading and writing skills in Spanish.
- 👉 Get a degree in health care leadership—and learn more about what influences Chicago's Latino community.

*Embrace your past.
Shape your future.*

Spanish Language and Culture Studies at National-Louis University.
An Initiative of the NLU Proyecto Comunidad.

- Sharpen your Spanish language skills while you are getting your undergraduate degree in management, management information systems, health care leadership and advanced behavioral studies.
 - Learn more about the literature, history, language and culture of your family.
 - See why getting a college degree makes sense for Chicago-area Latinos who want a career—not just a job.
1. This program is specifically designed for heritage speakers—Latinos who want to strengthen their Spanish reading and writing skills as well as better understand the Spanish-speaking culture.
 2. This major is also designed for Latinos interested in careers in not-for-profit organizations, public service, health care, and business and computer systems management.
 3. Most courses are taught in Spanish.

SIENTE EL ORGULLO DE DESTACAR.

Tu herencia cultural es parte de tu identidad.
Tu familia te proporciona amor y apoyo.
Tus estudios universitarios te ayudan a avanzar en la vida.

- 👉 Obtén una licenciatura en gerencia de empresas mientras perfeccionas tu habilidad para leer y escribir en español.
- 👉 Consigue una licenciatura en gestión sanitaria a la vez que amplías tus conocimientos sobre la comunidad latina de Chicago.

*Fortalece tu pasado.
Mejora tu futuro.*

National-Louis University ofrece esta especialización en español, Spanish Language and Culture Studies, como parte de Proyecto Comunidad.

- Mejora tu español mientras obtienes una licenciatura en gerencia de empresas, sistemas de gestión computerizados o gestión sanitaria.
 - Profundiza en tus raíces culturales a través de la literatura, la historia y la lengua.
 - Descubre la importancia de un título universitario para los latinos del área de Chicago que desean no sólo un trabajo, sino una vida profesional.
1. Esta especialización en español se ha creado especialmente para hablantes de español o latinos que quieren reforzar su destreza para leer y escribir en español, así como comprender mejor su cultura de herencia.
 2. Esta especialización también se ha diseñado para latinos interesados en desarrollar su vida profesional en organizaciones sin ánimo de lucro, servicios públicos, asistencia sanitaria y empresas con sistemas de gestión computerizados.
 3. Los cursos se imparten en español y en inglés.

—Eva Hernandez
B.A. in Psychology
National-Louis University
