

HOW THIS PROGRAM COULD BENEFIT YOUR AGENCY

- Development of **Quality Managers**:
 - Existing Managers improve knowledge and skill sets.
 - Potential/New Managers able to meet the challenging expectations of the position.
- Designed for **Immediate Application at the Workplace**:
 - Students can apply what they are learning to real issues back on the job;
 - Classroom and online discussions give managers new insights into getting things done;
 - Course activities facilitate specific back-at-work application of learning;
 - Materials designed so managers can translate coursework into action;
 - Capstone Course in Human Services Management Laboratory equips students to analyze and resolve an actual management challenge of their agency.
- **Lower Operational Costs** for agencies through highly skilled managers lowering turnover, reducing overtime expenses and improving other operational inefficiencies.
- Increased **Stakeholder Satisfaction** through managers use of improved oral and written communication skills learned and practiced in this program.
- **Improved Financial Management** using manager's knowledge of financial statements, budget development, capitation contracts and other financial skills learned and practiced in this program.
