Getting Started with ZOOM
BETA
What is Zoom?

Zoom, the cloud meeting company, unifies cloud video conferencing, simple online meetings and mobile collaboration into one easy-to-use platform. Our solution offers the best video, audio and screen-sharing quality across Window, Mac, IOS, Android and H.323/SIP room systems.

Watch the Getting Started Video Tutorial

How do I begin?

To begin, simply go to http://zoom.us and click on "Login" From there you can Login using Google, Facebook, or your already existing Zoom account.

If you do not have an account with Zoom, you can select "Sign up" to create a new Zoom account.

Where do I find the desktop or mobile app?

Once you have signed up or logged in, click on Host a Meeting, the desktop app will auto-download. Alternatively, you can click on the download footer link at https://zoom.us or directly from https://zoom.us/support/download

- For iOS, visit the Apple App Store or by searching "zoom" or see "Getting started for iOS"
- For Android, visit Google Play or by searching "zoom"

What do I do after I launch the app?
After you launch the app, you have two options. You can **Join a meeting**, or **Host a meeting**.

If you do not wish to log in, and just want to join a meeting in progress click on **Join a meeting**. If you would like to log in and start your own meeting, click on **Host a meeting**.

![Zoom app interface](image)

**Note:** The client version number is located on the bottom right-hand corner of this dialog box.

**How do I log in?**

To login, you can use your zoom account **email** and **password**, or use your Google (Gmail or Google App) or Facebook account.

**Tip:** If you have not created a user email and password, please click on **Sign Up** to create a Zoom account.

![Login interface](image)

**Note:** if you have a Zoom account but cannot remember your password. Please select **"Forgot your password"**
Home options?

Once you have logged in, you will see the main dialog box as shown below. The default tab is "Home".

You can:

- View what type of account you are logged in with (Pro or Basic)
- Click on **Screen Share Meeting** to start a meeting while sharing your "desktop" or "application"
- Click on **Video Meeting** to start a video meeting
- Click on **Schedule** to set up a future meeting
- Click on **Join** to join a meeting that has already been started

**Note:** Click on The account drop-down arrow to view your profile, check for updates, switch accounts, and log-out.

Meetings
Select "Meetings" to view, start, edit, and delete your personal meeting ID, scheduled meetings, and recorded meetings.

Click here for more information on Personal meeting ID (PMI).

You can:

- **Start**: Selecting **start** will start the pre-scheduled meeting that you have listed in your upcoming meetings.
- **Edit**: You can **edit** or update your scheduled meeting.
- **Delete**: Selecting **delete** will permanently delete your scheduled meeting.
- **Copy URL**: Here you can **copy** your scheduled meeting(s) URL and manually paste into an email, IM, SMS etc.

**Note**: if you do not see your scheduled meeting, click the refresh tab in the upper right-hand corner to update/refresh the meeting list.

**How do I configure my Zoom settings?**

You can find the Settings tab in the main dialog box or in the meeting menu bar. After clicking **Settings**, you will have the following options:
- **Audio**: You can test, select and adjust your speakers, and microphone
- **Video**: You can test and select your video camera
- **General**: You can select additional preferences
- **Feedback**: We welcome any questions, comments, or feedback
- **Recording**: Here you can browse/open your stored recordings (all recordings are stored on your local device/computer)
- **Account/Pro account**: Here you can upgrade your account to pro user or, manage your account details (Learn more about Account)

What can I do in a meeting?

Once you have started or joined a meeting, you can perform the following actions from the menu bar located at the bottom of the meeting window (move your mouse to toggle):
You can:

- Invite more people to join via email, IM, SMS (mobile users), or meeting ID (learn more)
- Screen share your desktop or a specific application window (learn more)
- Group or private chat
- Record your meeting (Who can record?)
- Manage participants (learn more)
- Mute and unmute your audio
- Select Audio connect/disconnect computer audio (learn more)
- Stop and start your video
- Configure your settings (learn more)
- Leave or end the meeting
