How Do I Test My Audio?

Click on "Settings" on your PC or Mac client, or during a video meeting, click on "Settings" in the menu bar (toggle to activate). Then click on the "Audio" tab to test your audio setting.

- Select the microphone drop down and try a different audio source if the other side can't hear you.
- Select the speaker drop down and try a difference speaker source if you can't hear the other side.
How Do I Test My Video?

Before or during a video meeting, click on "Settings" in the client menu, then Click on the "Video" tab to test your video selection.

Here you can also click on the drop down arrow to switch between Cameras that you have connected to your computer.
