**About Us**

A Just Harvest believes it is possible to end hunger and poverty. It is an ambitious goal, and it has spurred us expand our strategies over the years.

We started feeding the hungry in 1983, when the Good News Community Church and First Congregational Church of Wilmette began serving a weekly meal. Over the years, A Just Harvest (formerly known as Good News Community Kitchen), in partnership with more than 30 religions congregations and community organizations, increased our dinner service to seven nights a week. People in need count on our [Community Kitchen](http://www.ajustharvest.org/volunteer/), 365 days/year.

A Just Harvest is feeding more people now than at any point in our history. In fact, many more Americans are going hungry and living in poverty than when we opened our doors in 1983. Rising unemployment and chronic underemployment, the loss of manufacturing and other living-wage industries, the growth of low-wage and temporary jobs, and many public policies undergird this trend.

Our **Community Kitchen** is the largest and only self-standing community soup kitchen in the Chicago metro area. We serve hot, nutritious meals 365 days per year to anyone in need. Last year, the Community Kitchen served more than 54,000 meals.

The Community Kitchen also distributes several thousand pounds of food each month by hosting the Greater Chicago Food Depository’s Producemobile, which distributes fruit and vegetables to more than 200 families.

Anyone in need is welcome. We do not require referrals or identification. The Community Kitchen is a welcoming place for children and families.

Another service of the Community Kitchen is the Children's Anti-Hunger Collaborative, which meets the nutritional needs of children in our community by:

- Enhancing the food and nutrition component of both the Howard Area Community Center's Greensleeves After-School Project and the Good News Reading Program;
- Hosting the City of Chicago's Summer Nutrition Program; and,
- Operating a free hot lunch program for school age children during the school's winter and spring breaks.

Anixter Center is one of the largest nonprofit organizations in the Chicago area serving people with disabilities. With 35 programs at 34 different locations stretching from Chicago to Zion, Anixter Center helps more than 10,000 people with disabilities and related challenges each year. It is our volunteers who make it possible for us to help thousands of people every year. Without their dedication, enthusiasm and compassion, Anixter Center simply could not help as many children, teens and adults as we do. Our volunteers represent all ages and come from all cultures and backgrounds. Some volunteer for a specific project; others give several hours a week or a month. No matter what they do or how much time they donate, all help to make the lives of people with disabilities better.

Over the years, Anixter Center has matured into an assemblage of 37 programs that serve over 7,400 children and adults with disabilities. With help from organizations, companies, other agencies and individuals, Anixter Center continues to improve the lives of people with disabilities and support their efforts to live, learn, work and play in their communities.

Volunteer Literacy Tutors needed to help adults w/disabilities in Reading, Math, Writing, Computer Skills, Budgeting & Job Searches at The Jack Ehrlich Literacy Program at Anixter Center.

Changing lives.
For more than 100 years, Big Brothers Big Sisters has operated under the belief that inherent in every child is the ability to succeed and thrive in life. As the nation’s largest donor and volunteer supported mentoring network, Big Brothers Big Sisters makes meaningful, monitored matches between adult volunteers (“Bigs”) and children (“Littles”), ages 7 through 14, in communities across the country. We develop positive relationships that have a direct and lasting effect on the lives of young people. Looking to get involved? Whether you’re interested in donating, volunteering or enrolling your child, Big Brothers Big Sisters of Metropolitan Chicago offers several types of programs in communities across the country.

Requirements:

The Chicago Botanic Garden is seeking responsible and enthusiastic high school and college students that enjoy working with children ages 2 – 12 years old to help with our summer camp programs. Camp CBG programs are weekdays from June 20 through August 19 with morning and afternoon sessions. Students are asked to commit to a minimum of 25 volunteer service hours over the course of the summer, or five half-day camp sessions.

Students who would like to register to attend required Camp CBG Volunteer Training should contact Amy Kerr Wells, camp programs manager, at (847) 835-8361 or e-mail awells@chicagobotanic.org.

College students are also encouraged to volunteer at the 2016 Butterflies & Blooms exhibition, open May 28 through September 5. Volunteers are needed Wednesday through Sunday, 9:30 a.m. – 1:30 p.m. or 1 – 5 p.m.

Additional orientations will be held:
Sunday, April 24, 1 – 3 p.m.
Wednesday, April 27, 1 – 3 p.m.
Students should contact (847) 835-8392 for details.

How to Volunteer

How do I become a volunteer?
New volunteers attend a general orientation to learn about the Garden and review specific volunteer service areas. Prospective volunteers fill out an application to indicate their interests, availability, experience, and service preferences. Current volunteer opportunities are discussed to help match your qualifications with the Garden’s current needs. In many areas, you will learn on the job from fellow volunteers and your staff supervisor. Specific training is offered and required for some service areas.

What does the staff expect of volunteers?
Expectations for volunteers are similar to expectations for new employees. You are encouraged to do your best to live up to the Garden’s philosophy and policies. At the same time, you are sure to enjoy your volunteer work at the Garden and feel that your efforts are helping you grow as a person. Feel free to communicate with the Volunteer Services staff if you have any concerns and when you have ideas about how you can contribute and benefit more as a volunteer.

Become an AmeriCorps VISTA Member

AmeriCorps VISTA members are passionate and committed to their mission to bring individuals and communities out of poverty. Members make a year-long, full-time commitment to serve on a specific project at a nonprofit organization or public agency. They focus their efforts to build the organizational, administrative, and financial capacity of organizations that fight illiteracy, improve health services, foster economic development, and otherwise assist low-income communities.

A number of members serve in the summer months through the AmeriCorps VISTA Summer Associate program. The program offers members the opportunity to become engaged in community service through an existing AmeriCorps VISTA project for eight to 10 weeks during the summer.

AmeriCorps VISTA is open to all U.S. citizens, nationals, or lawful permanent resident aliens age 18 and older. Members and Summer Associates receive a modest living allowance. Members who serve for a year also receive limited health benefit options, childcare, if needed, and other benefits. After successful completion of a term of service, members can choose to receive a Segal AmeriCorps Education Award or post-service stipend.

AmeriCorps VISTA members live and serve in some of our nation’s poorest urban and rural areas. With passion, commitment, and hard work, they create or expand programs designed to bring individuals and communities out of poverty.

Each VISTA member makes a year-long, full-time commitment to serve on a specific project at a nonprofit organization or public agency. In return for their service, AmeriCorps VISTA members receive a modest living allowance and health benefits during their service, and have the option of receiving a Segal AmeriCorps Education Award or post-service stipend after completing their service. About 8,000 VISTAs are placed each year in more than 1,100 projects in low-income communities around the country.

VISTA members generally do not provide direct services, such as tutoring children or building homes. Instead, they focus their efforts on building the organizational, administrative, and financial capacity of organizations that fight illiteracy, improve health services, foster economic development, and otherwise assist low-income communities. VISTAs develop programs to meet a need, write grants, and recruit and train volunteers. As a VISTA, you can:

- Create an adult literacy awareness campaign and recruit volunteer tutors.
- Set up transitional housing dedicated to helping the homeless turn their lives around.
- Expand programs to help low-income families obtain affordable health insurance.
- Recruit mentors for children of incarcerated parents.
- Organize shelter and job opportunities for victims of disasters.

In each case, you’ll be strengthening an organization so it can continue to serve the needs of the community once AmeriCorps VISTA’s support has ended.

Our Mission:
Rebuilding Neighborhoods One School at a Time

We at PIEs recognize that learning environments are centers of community growth, and civic development. We support teachers, families, and children while serving communities through partnerships with under served schools.

It is service time! We are so excited to announce the wonderful service opportunities we have for the summer. As you probably already know, Partnerships in Education & Service (PIEs) supports public school education through the organization of volunteers from colleges, universities, and the public schools & public sectors. With our work since 2008 PIEs has sent almost two hundred volunteers to help almost a dozen schools in New Orleans!
PAWS Chicago’s dedicated volunteers enable us to continue to save lives and expand services. With animal care and adoptions being so resource-intensive, it would be impossible to fulfill the mission of a No-Kill Chicago without them.

To sign up for internships, click here: http://www.pawschicago.org/employment-opportunities/

THE INTERNSHIP POSITIONS WE CURRENTLY HAVE AVAILABLE AT OUR THREE CHICAGO LOCATIONS ARE:

• Volunteer Program Internship • Sponsor Teams Marketing Internship • Animal Care Program Internship • Community Outreach Internship • Adoption Program Internship • Special Events Internship • Communications Internship • Social Media Internship • Graphic Design Internship

INTERNSHIP GUIDELINES:
Interns should share our passion for animals, believe in our mission to create a No Kill Chicago, and be willing to take the extra step. Interns will be asked to commit to a regular, mutually agreed upon schedule, for a minimum of 10-12 hours per week, and a three-to six-month term of service. All applicants must attend a New Volunteer Orientation and hands-on training for their specific area of interest, as well as two, one hour Level 1 Training Courses. Interns must also comply with dress code, other center requirements and conduct themselves in a professional manner consistent with the company handbook.
